

Welding Technology

WELDING

The Welding Program provides the training needed for those who desire to enter and advance in the welding field. The courses will also be useful to an individual who has already entered the welding occupation to upgrade himself/herself in welding skills and knowledge. The specific objective of this department is to train the student to perform welding operations and acquire the technical skill for each process and each application of oxyacetylene cutting, shielded Arc welding, and MIG and TIG welding.

- Technical Certificate
- Day and Evening Courses
- Welding Certification Opportunities Available

CAREER OPPORTUNITIES

- Gas-Tungsten Welder
- Gas Metal Arc Welder
- Production Line Welder
- Pipe Welder
- Maintenance Welder
- Welding Fabricator
- Welding Supervisor
- Arc Welder
- Welder Fitter
- Oxyacetylene Welder

Job Placement

Once you have obtained your degree, our free job placement service will assist you in finding a new job. We believe that placement is an important part of the educational process – a philosophy reflected in our excellent placement track record.

Counseling

Counselors and faculty advisors are available to aid students in course selection and future planning.

Admission

In order to complete the admissions process, prospective students must provide the Admissions office at Southeast Arkansas College with the following:

1. An official application for admission.
2. ACT, SAT, ASSET, or COMPASS test scores (ASSET and COMPASS tests are offered by SEARK. Contact the admissions office for information).
3. Immunizations records showing proof of measles and rubella vaccines if born 1/1/57 or after.
4. Official copy of high school diploma or GED scores.
5. An official copy of college transcript if credits from another institution are to be transferred.

Financial Aid

For students who qualify, financial aid consists of funds made available from federal, state, and local sources.

Scholarships, grants, loans, and Veteran's benefits are all available to qualified students

Accreditation

Southeast Arkansas College is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools.

WELDING TECHNOLOGY

<u>1st Year - 1st Semester</u>		<u>Credits</u>
ENGL	1013 Basic English	3
MATH	1013 Elementary Algebra	3
WELD	1116 Basic Welding	6
WELD	1216 Arc Welding (Stick Welding)	6
		18
<u>1st Year - 2nd Semester</u>		
WELD	1316 Tungsten Inert Gas (TIG)	6
WELD	1416 Metal Inert Gas (MIG)	6
WELD	1516 Pipe Welding	6
or		
WELD	1616 Metal Layout & Fabrication	6
		18
COMPLETION AWARD: Technical Certificate		36

NOTE: Welding Certification tests are offered at the end of each term. There is a fee for having the tests evaluated.
